PETITION TO VACATE AN ALLEY

1. That this petition involves an alley north of Taylor Street and West of Pine Street, Fort Wayne, Indiana, described as follows:

Commencing at a point on the Southwest corner of Lot Number 31, Sturgis Second Addition, thence West along the South line of Lots Number 30, 32, and the West 4 feet of Lot Number 33, a distance of 96.62 feet, thence South 12 feet, thence East along the North line of the East 4 feet of Lot Number 39, Lot Number 38 and to the Northeast corner of Lot Number 37, all in Sturgis Second Addition, thence North 12 feet to the place of beginning, All of which alley is adjacent to property owned by Erie Materials Corp., which alley is indicated on the attached "Exhibit A", and marked in red.

2. That the properties to the East of this alley have adequate access through their existing alley unto Pine Street and the properties on the West have adequate access from the rear of their properties through an alley unto Taylor Street, and that the alley now requested to be vacated and which is wholly adjacent to property owned by the petitioner serves no useful public function.

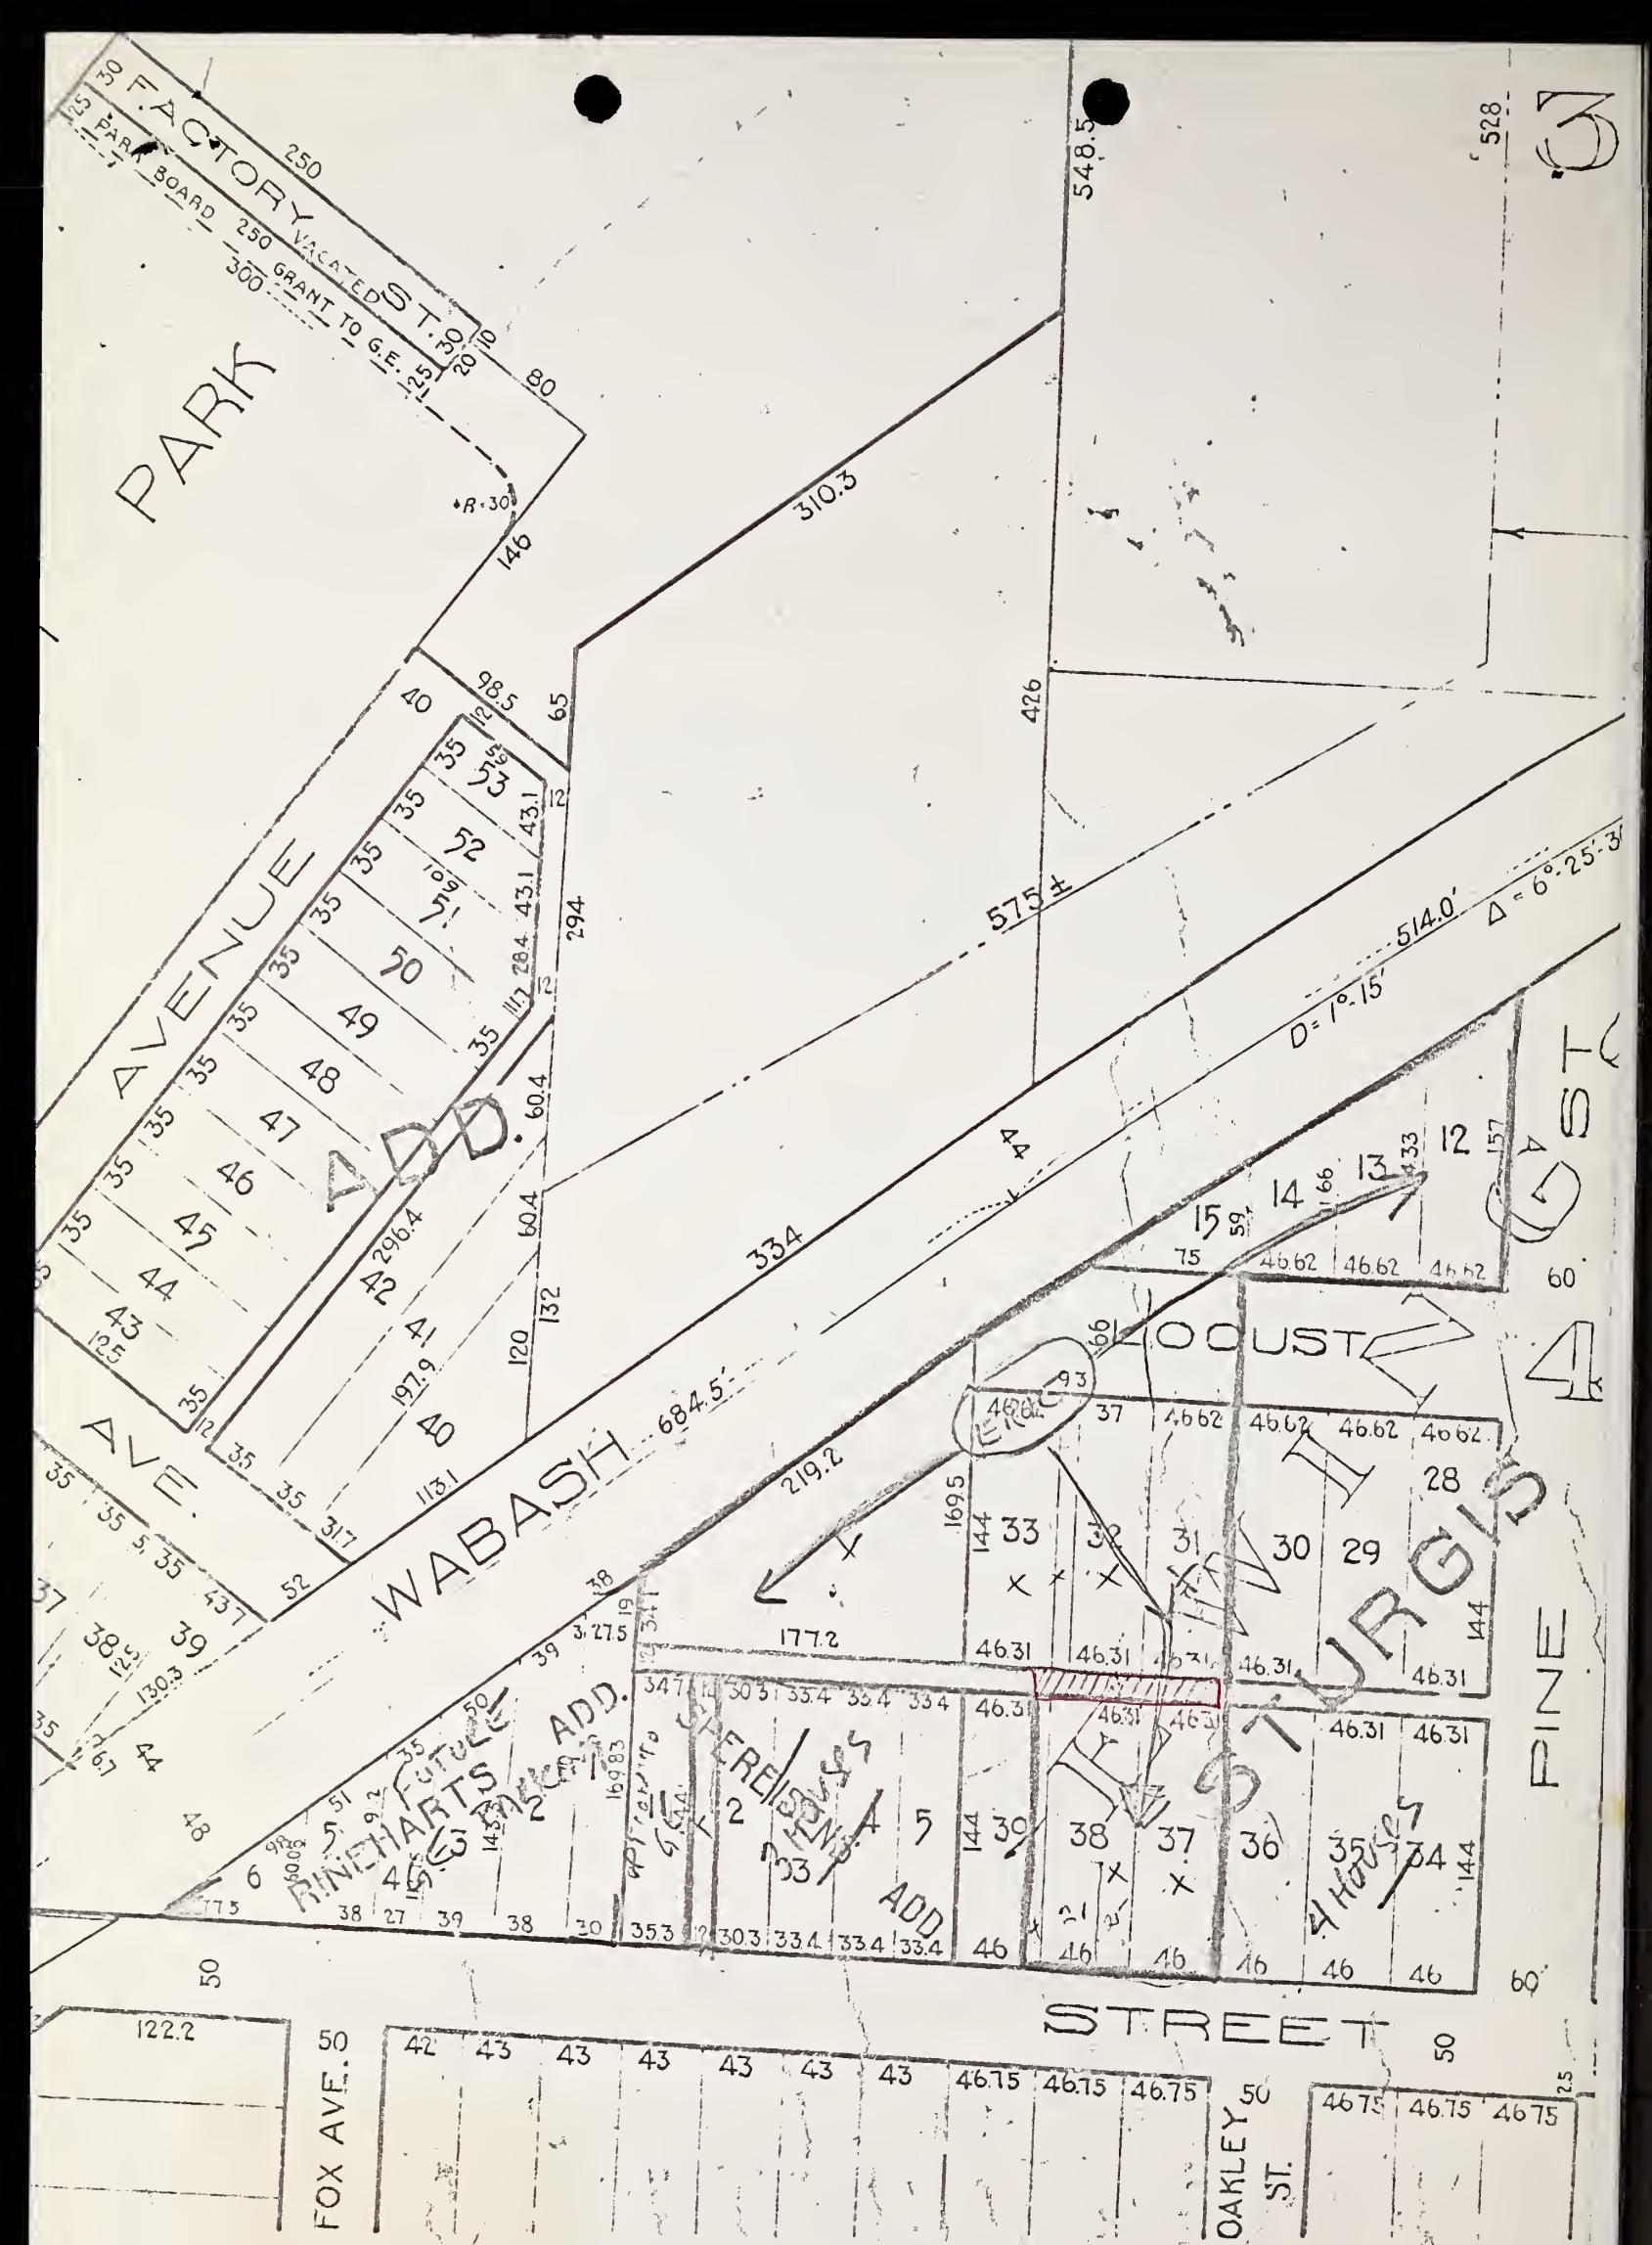

3. That the alley as it now exists bisects the petitioner's property which is in the process of substantially improving by the construction of a large and attractive concrete building to be used as a sales office and that the existence of the alley and the right of public ingress and egress across said alley would make the improvement of the petitioner's property for all practical purposes impossible and consequently the alley now constitutes a substantial burden without effecting any public utility purpose.

WHEREFORE, the undersigned respectfully prays that the alley
be vacated.
